| DESCRIPTION                      | IC PWM CTRLR SYNC BUCK DL 48QFN                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  ISL6323ACRZ.pdf |
| VOLTAGE - OUTPUT                 | Up to 2V                                                                                            |
| VOLTAGE - INPUT                  | 5 V ~ 12 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 48-QFN (7x7)                                                                                        |
| SERIES                           | -                                                                                                   |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad                                                                                |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                          |
| NUMBER OF OUTPUTS                | 2                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DETAILED DESCRIPTION             | - Controller, AMD SVI Voltage Regulator IC 2 Output 48-QFN (7x7)                                    |
| BASE PART NUMBER                 | ISL6323                                                                                             |
| APPLICATIONS                     | Controller, AMD SVI                                                                                 |
