

ISPPAC-CLK5620V-01TN100I

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ISPPAC-CLK5620V-01TN100I                                                                                     |
| Manufacturer/Brand: | Lattice Semiconductor                                                                                        |
| Product description | IC CLK GEN FANOUT BUFFER 100TQFP                                                                             |
| Datasheets:         | <a href="#">1.ISPPAC-CLK5620V-01TN100I.pdf</a><br><a href="#">2.ISPPAC-CLK5620V-01TN100I.pdf</a>             |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

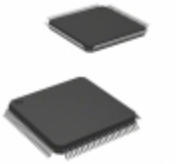

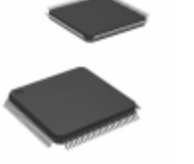

Specifications of ISPPAC-CLK5620V-01TN100I

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | ISPPAC-CLK5620V-01TN100I                                                                                 |
| MANUFACTURER                     | Lattice Semiconductor                                                                                    |
| DESCRIPTION                      | IC CLK GEN FANOUT BUFFER 100TQFP                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                       | <a href="#">PDF 1.ISPPAC-CLK5620V-01TN100I.pdf</a><br><a href="#">PDF 2.ISPPAC-CLK5620V-01TN100I.pdf</a> |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 100-TQFP (14x14)                                                                                         |
| SERIES                           | ispClock™                                                                                                |
| RATIO - INPUT:OUTPUT             | 2:20                                                                                                     |
| PACKAGING                        | Tray                                                                                                     |
| PACKAGE / CASE                   | 100-LQFP                                                                                                 |
| PLL                              | Yes with Bypass                                                                                          |
| OUTPUT                           | HSTL, LVCMOS, LVDS, LVPECL, LVTTL, SSTL                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                             |
| NUMBER OF CIRCUITS               | 1                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| INPUT                            | HSTL, LVCMOS, LVDS, LVPECL, LVTTL, SSTL                                                                  |
| FREQUENCY - MAX                  | 320MHz                                                                                                   |
| DIVIDER/MULTIPLIER               | Yes/No                                                                                                   |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                                                  |
