| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                        |
| DESCRIPTION                      | IC MCU 8BIT 32KB FLASH 32QFN                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DATA SHEET                       | <a href="#">PDF</a> 1.C8051F383-GMR.pdf<br><a href="#">PDF</a> 2.C8051F383-GMR.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 5.5 V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 32-QFN (5x5)                                                                       |
| SPEED                            | 48 MIPS                                                                            |
| SERIES                           | C8051F38x                                                                          |
| RAM SIZE                         | 2.25K x 8                                                                          |
| PROGRAM MEMORY TYPE              | FLASH                                                                              |
| PROGRAM MEMORY SIZE              | 32KB (32K x 8)                                                                     |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, Temp Sensor, WDT                                 |
| PACKAGING                        | Original-Reel®                                                                     |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                               |
| OTHER NAMES                      | 336-3901-6                                                                         |
| OSCILLATOR TYPE                  | Internal                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                  |
| NUMBER OF I/O                    | 25                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| EEPROM SIZE                      | -                                                                                  |
| DETAILED DESCRIPTION             | 8051 C8051F38x Microcontroller IC 8-Bit 48 MIPS 32KB (32K x 8) FLASH 32-QFN (5x5)  |
| DATA CONVERTERS                  | A/D 21x10b                                                                         |
| CORE SIZE                        | 8-Bit                                                                              |
| CORE PROCESSOR                   | 8051                                                                               |
| CONNECTIVITY                     | I²C, SPI, UART/USART, USB                                                          |
