

CD4521BPWR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | CD4521BPWR                                                                                                   |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC 24STAGE FREQ DIVIDER 16-TSSOP                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of CD4521BPWR

|                                  |                                                                |
|----------------------------------|----------------------------------------------------------------|
| PART NUMBER                      | CD4521BPWR                                                     |
| MANUFACTURER                     | N/A                                                            |
| DESCRIPTION                      | IC 24STAGE FREQ DIVIDER 16-TSSOP                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| DATA SHEET                       |                                                                |
| VOLTAGE - SUPPLY                 | 3V ~ 18V                                                       |
| TRIGGER TYPE                     | Negative Edge                                                  |
| TIMING                           | -                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                       |
| SERIES                           | 4000B                                                          |
| RESET                            | Asynchronous                                                   |
| PACKAGING                        | Tape & Reel (TR)                                               |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                  |
| NUMBER OF ELEMENTS               | 1                                                              |
| NUMBER OF BITS PER ELEMENT       | 24                                                             |
| MOUNTING TYPE                    | Surface Mount                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                  |
| LOGIC TYPE                       | Divide-by-2                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| DIRECTION                        | -                                                              |
| DETAILED DESCRIPTION             | Counter IC Divide-by-2 1 Element 24 Bit Negative Edge 16-TSSOP |
| COUNT RATE                       | 13MHz                                                          |
| BASE PART NUMBER                 | 4521                                                           |
