MT29F64G08CBEDBJ4-12:D TR

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F64G08CBEDBJ4-12:D TR                                                                                    |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 64G PARALLEL 83MHZ                                                                                  |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MT29F64G08CBEDBJ4-12:D TR

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | MT29F64G08CBEDBJ4-12:D TR                                |
| MANUFACTURER                     | Micron Technology                                        |
| DESCRIPTION                      | IC FLASH 64G PARALLEL 83MHZ                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DATA SHEET                       |                                                          |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                        |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                            |
| TECHNOLOGY                       | FLASH - NAND                                             |
| SERIES                           | -                                                        |
| PACKAGING                        | Tape & Reel (TR)                                         |
| OTHER NAMES                      | MT29F64G08CBEDBJ4-12:D TR-ND<br>MT29F64G08CBEDBJ4-12:DTR |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                            |
| MEMORY TYPE                      | Non-Volatile                                             |
| MEMORY SIZE                      | 64Gb (8G x 8)                                            |
| MEMORY INTERFACE                 | Parallel                                                 |
| MEMORY FORMAT                    | FLASH                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 64Gb (8G x 8) Parallel 83MHz      |
| CLOCK FREQUENCY                  | 83MHz                                                    |
