| PART NUMBER                      | DM74LS156M                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                      | IC DECODER/DEMUX 2-4LINE 16-SOIC                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |  DM74LS156M.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                      |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                    |
| TYPE                             | Decoder/Demultiplexer                                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                            |
| SERIES                           | 74LS                                                                                               |
| PACKAGING                        | Tube                                                                                               |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INDEPENDENT CIRCUITS             | 1                                                                                                  |
| DETAILED DESCRIPTION             | Decoder/Demultiplexer 2 x 1:4 16-SOIC                                                              |
| CURRENT - OUTPUT HIGH, LOW       | 400µA, 8mA                                                                                         |
| CIRCUIT                          | 2 x 1:4                                                                                            |
