

Cypress Semiconductor

CP7771BT

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | CP7771BT                                                                                                     |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC SCREEN CNTRL TRUETOUCH 48QFN                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

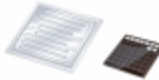

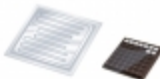

Specifications of CP7771BT

|                                  |                                      |
|----------------------------------|--------------------------------------|
| PART NUMBER                      | CP7771BT                             |
| MANUFACTURER                     | Cypress Semiconductor                |
| DESCRIPTION                      | IC SCREEN CNTRL TRUETOUCH 48QFN      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant           |
| DATA SHEET                       |                                      |
| VOLTAGE REFERENCE                | -                                    |
| VOLTAGE - SUPPLY                 | -                                    |
| TOUCHSCREEN                      | -                                    |
| SUPPLIER DEVICE PACKAGE          | -                                    |
| SERIES                           | -                                    |
| RESOLUTION (BITS)                | -                                    |
| PACKAGE / CASE                   | -                                    |
| OPERATING TEMPERATURE            | -                                    |
| MOUNTING TYPE                    | -                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant           |
| INTERFACE                        | -                                    |
| DETAILED DESCRIPTION             | Touchscreen Controller, it Interface |
