| MANUFACTURER                     | Avago Technologies (Broadcom Limited)                                                                  |
| DESCRIPTION                      | OPTOISO 1.5KV 2CH DARLNG 8-DIP                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| DATA SHEET                       |  5962-8978501PA.pdf |
| VOLTAGE - OUTPUT (MAX)           | 20V                                                                                                    |
| VOLTAGE - ISOLATION              | 1500VDC                                                                                                |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.4V                                                                                                   |
| VCE SATURATION (MAX)             | 110mV                                                                                                  |
| TURN ON / TURN OFF TIME (TYP)    | 2μs, 8μs                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 8-DIP                                                                                                  |
| SERIES                           | -                                                                                                      |
| RISE / FALL TIME (TYP)           | -                                                                                                      |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                                 |
| OUTPUT TYPE                      | Darlington                                                                                             |
| OTHER NAMES                      | 516-3912<br>5962-8978501PA-ND                                                                          |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                          |
| NUMBER OF CHANNELS               | 2                                                                                                      |
| MOUNTING TYPE                    | Through Hole                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| INPUT TYPE                       | DC                                                                                                     |
| DETAILED DESCRIPTION             | Optoisolator Darlington Output 1500VDC 2 Channel 8-DIP                                                 |
| CURRENT TRANSFER RATIO (MIN)     | 200% @ 5mA                                                                                             |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                                      |
| CURRENT - OUTPUT / CHANNEL       | 40mA                                                                                                   |
| CURRENT - DC FORWARD (IF) (MAX)  | 10mA                                                                                                   |
