

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:MC74LCX573DWG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC LATCH TRANSP OCT LV 20SOIC

Datasheets:

MC74LCX573DWG.pdf

RoHs Status:

Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of MC74LCX573DWG

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74LCX573DWG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC LATCH TRANSP OCT LV 20SOIC                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  MC74LCX573DWG.pdf |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 20-SOIC                                                                                               |
| SERIES                           | 74LCX                                                                                                 |
| PACKAGING                        | Tube                                                                                                  |
| PACKAGE / CASE                   | 20-SOIC (0.295", 7.50mm Width)                                                                        |
| OUTPUT TYPE                      | Tri-State                                                                                             |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                              |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INDEPENDENT CIRCUITS             | 1                                                                                                     |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-SOIC                                           |
| DELAY TIME - PROPAGATION         | 1.5ns                                                                                                 |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                            |
| CIRCUIT                          | 8:8                                                                                                   |
| BASE PART NUMBER                 | 74LCX573                                                                                              |
