| DESCRIPTION                      | IC QUASI FLYBACK CONVERTER 8SOIC                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DATA SHEET                       |  A4401KL-T.pdf |
| VOLTAGE - SUPPLY                 | 7 V ~ 40 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                            |
| SERIES                           | -                                                                                                 |
| PACKAGING                        | Tube                                                                                              |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| INTERFACE                        | -                                                                                                 |
| DISPLAY TYPE                     | Vacuum Fluorescent (VF)                                                                           |
| DIGITS OR CHARACTERS             | -                                                                                                 |
| CURRENT - SUPPLY                 | 2.3mA                                                                                             |
| CONFIGURATION                    | -                                                                                                 |
