CS-4-22YA

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | CS-4-22YA                        |
| Manufacturer/Brand: | Copal Electronics                |
| Product description | SWITCH ROTARY DIP DPDT 100MA 16V |
| Datasheets:         | CS-4-22YA.pdf                    |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

| WASHABLE                         | Yes                                                                           |
| VOLTAGE RATING                   | 16VDC                                                                         |
| TERMINATION STYLE                | J Lead                                                                        |
| SERIES                           | CS-4                                                                          |
| PITCH                            | 0.051" (1.30mm)                                                               |
| PACKAGING                        | Bulk                                                                          |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                                  |
| NUMBER OF POSITIONS              | 2                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| MECHANICAL LIFE                  | -                                                                             |
| MANUFACTURER STANDARD LEAD TIME  | 9 Weeks                                                                       |
| LENGTH                           | 0.197" (5.00mm)                                                               |
| HEIGHT ABOVE BOARD               | 0.091" (2.30mm)                                                               |
| FEATURES                         | -                                                                             |
| ELECTRICAL LIFE                  | 200 Cycles                                                                    |
| DETAILED DESCRIPTION             | Dip Switch DPDT 2 Position Surface Mount Rotary for Tool Actuator 100mA 16VDC |
| CURRENT RATING                   | 100mA                                                                         |
| CONTACT MATERIAL                 | Copper Alloy                                                                  |
| CONTACT FINISH                   | Gold                                                                          |
| CIRCUIT                          | DPDT                                                                          |
| BODY MATERIAL                    | Epoxy                                                                         |
| ACTUATOR TYPE                    | Rotary for Tool                                                               |
| ACTUATOR LEVEL                   | Flush, Recessed                                                               |
