

AMCA52-2R350G-S1F-T4

Part Number:AMCA52-2R350G-S1F-T4

Manufacturer/Brand:Abracon Corporation

Product description:RF ANT 2.4GHZ CHIP SOLDER SMD

Datasheets: [AMCA52-2R350G-S1F-T4.pdf](#)

RoHs Status: Lead free / RoHS Compliant

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of AMCA52-2R350G-S1F-T4

|                                  |                                                                                                                              |

| DATA SHEET                       |  <a href="#">AMCA52-2R350G-S1F-T4.pdf</a> |
| VSWR                             | 2                                                                                                                            |
| TERMINATION                      | Solder                                                                                                                       |
| SERIES                           | -                                                                                                                            |
| RETURN LOSS                      | -                                                                                                                            |
| POWER - MAX                      | 3W                                                                                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                                                                             |
| NUMBER OF BANDS                  | 1                                                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 9 Weeks                                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                   |
| INGRESS PROTECTION               | -                                                                                                                            |
| HEIGHT (MAX)                     | 0.043" (1.10mm)                                                                                                              |
| GAIN                             | 2.5dBi                                                                                                                       |
| FREQUENCY RANGE                  | 2.275GHz ~ 2.425GHz                                                                                                          |
| FREQUENCY GROUP                  | UHF (2 GHz ~ 3 GHz)                                                                                                          |
| FREQUENCY (CENTER/BAND)          | 2.4GHz                                                                                                                       |
| FEATURES                         | -                                                                                                                            |
| DETAILED DESCRIPTION             | 2.4GHz LTE, WCS, WiMax™, WLAN Chip RF Antenna 2.275GHz ~ 2.425GHz 2.5dBi Solder Surface Mount                                |
| APPLICATIONS                     | LTE, WCS, WiMax™, WLAN                                                                                                       |
| ANTENNA TYPE                     | Chip                                                                                                                         |
