| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                        |
| TYPE                             | Transceiver                                                            |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                 |
| SERIES                           | -                                                                      |
| RECEIVER HYSTERESIS              | 70mV                                                                   |
| PROTOCOL                         | RS422, RS485                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                       |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DUPLEX                           | Half                                                                   |
| DETAILED DESCRIPTION             | 1/1 Transceiver Half RS422, RS485 8-SOIC                               |
| DATA RATE                        | 250kbps                                                                |
