Specifications of CD4059AM96G4

|                                  |                                                               |
|----------------------------------|---------------------------------------------------------------|
| PART NUMBER                      | CD4059AM96G4                                                  |
| MANUFACTURER                     | N/A                                                           |
| DESCRIPTION                      | IC PROG DIV-BY-N COUNTER 24-SOIC                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DATA SHEET                       |                                                               |
| VOLTAGE - SUPPLY                 | 3V ~ 12V                                                      |
| TRIGGER TYPE                     | Positive Edge                                                 |
| TIMING                           | -                                                             |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                       |
| SERIES                           | 4000                                                          |
| RESET                            | Asynchronous                                                  |
| PACKAGING                        | Tape & Reel (TR)                                              |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                 |
| NUMBER OF ELEMENTS               | 1                                                             |
| NUMBER OF BITS PER ELEMENT       | 16                                                            |
| MOUNTING TYPE                    | Surface Mount                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                 |
| LOGIC TYPE                       | Divide-by-N                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DIRECTION                        | Down                                                          |
| DETAILED DESCRIPTION             | Counter IC Divide-by-N 1 Element 16 Bit Positive Edge 24-SOIC |
| COUNT RATE                       | 12MHz                                                         |
| BASE PART NUMBER                 | 4059                                                          |
