|----------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NLV14512BDG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                |
| DESCRIPTION                      | IC MUX DATA SELECT 8CH 16-SOIC                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                       |  NLV14512BDG.pdf |
| VOLTAGE SUPPLY SOURCE            | Dual Supply                                                                                         |
| VOLTAGE - SUPPLY                 | 3 V ~ 18 V                                                                                          |
| TYPE                             | Data Selector/Multiplexer                                                                           |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                             |
| SERIES                           | 4000B                                                                                               |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                      |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INDEPENDENT CIRCUITS             | 1                                                                                                   |
| DETAILED DESCRIPTION             | Data Selector/Multiplexer 1 x 8:1 16-SOIC                                                           |
| CURRENT - OUTPUT HIGH, LOW       | 8.8mA, 8.8mA                                                                                        |
| CIRCUIT                          | 1 x 8:1                                                                                             |
| BASE PART NUMBER                 | NLV14512B                                                                                           |
