

C8051F921-G-GM

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | C8051F921-G-GM                                                                                               |
| Manufacturer/Brand: | Energy Micro (Silicon Labs)                                                                                  |
| Product description | IC MCU 8BIT 32KB FLASH 24QFN                                                                                 |
| Datasheets:         |  C8051F921-G-GM.pdf         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

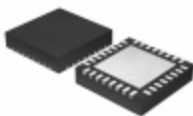

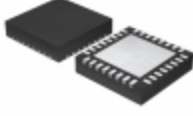

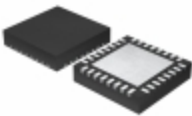

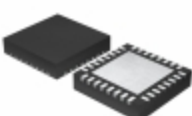

Specifications of C8051F921-G-GM

| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                                            |
| DESCRIPTION                      | IC MCU 8BIT 32KB FLASH 24QFN                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DATA SHEET                       |  C8051F921-G-GM.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 0.9 V ~ 3.6 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 24-QFN (4x4)                                                                                           |
| SPEED                            | 25MHz                                                                                                  |
| SERIES                           | C8051F9xx                                                                                              |
| RAM SIZE                         | 4.25K x 8                                                                                              |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                  |
| PROGRAM MEMORY SIZE              | 32KB (32K x 8)                                                                                         |
| PERIPHERALS                      | Brown-out Detect/Reset, POR, PWM, Temp Sensor, WDT                                                     |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                                                   |
| OTHER NAMES                      | 336-2617                                                                                               |
| OSCILLATOR TYPE                  | Internal                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| NUMBER OF I/O                    | 16                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| EEPROM SIZE                      | -                                                                                                      |
| DETAILED DESCRIPTION             | 8051 C8051F9xx Microcontroller IC 8-Bit 25MHz 32KB (32K x 8) FLASH 24-QFN (4x4)                        |
| DATA CONVERTERS                  | A/D 15x10b                                                                                             |
| CORE SIZE                        | 8-Bit                                                                                                  |
| CORE PROCESSOR                   | 8051                                                                                                   |
| CONNECTIVITY                     | SMBus (2-Wire/I <sup>2</sup> C), SPI, UART/USART                                                       |
