| DESCRIPTION                      | IC CONFIG MULTI FUNCTION 6DSBGA                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                              |
| DATA SHEET                       |                                                                                         |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 5.5 V                                                                          |
| SUPPLIER DEVICE PACKAGE          | 6-DSBGA, 6-WCSP (1.4x0.9)                                                               |
| SERIES                           | 74LVC                                                                                   |
| SCHMITT TRIGGER INPUT            | No                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                        |
| PACKAGE / CASE                   | 6-XFBGA, DSBGA                                                                          |
| OUTPUT TYPE                      | Single-Ended                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                           |
| NUMBER OF INPUTS                 | 3                                                                                       |
| NUMBER OF CIRCUITS               | 1                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                           |
| LOGIC TYPE                       | Configurable Multiple Function                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                              |
| DETAILED DESCRIPTION             | Configurable Multiple Function Configurable 1 Circuit 3 Input 6-DSBGA, 6-WCSP (1.4x0.9) |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 32mA                                                                              |
| BASE PART NUMBER                 | 74LVC1G57                                                                               |
