|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | CC8521RHAR                                                      |
| MANUFACTURER                     | N/A                                                             |
| DESCRIPTION                      | IC RF TXRX+MCU ISM>1GHZ 40-VFQFN                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                     |
| TYPE                             | TxRx + MCU                                                      |
| SERIES                           | PurePath™ Wireless                                              |
| SERIAL INTERFACES                | I²C, I²S, SPI, USB                                              |
| SENSITIVITY                      | -90dBm                                                          |
| RF FAMILY/STANDARD               | General ISM > 1GHZ                                              |
| PROTOCOL                         | -                                                               |
| POWER - OUTPUT                   | 11dBm                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                |
| PACKAGE / CASE                   | 40-VFQFN Exposed Pad                                            |
| OTHER NAMES                      | 296-29210-2                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                   |
| MODULATION                       | 2FSK, 8FSK                                                      |
| MEMORY SIZE                      | -                                                               |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| GPIO                             | 15                                                              |
| FREQUENCY                        | 2.4GHz                                                          |
| DETAILED DESCRIPTION             | IC RF TxRx + MCU General ISM > 1GHZ 2.4GHz 40-VFQFN Exposed Pad |
| DATA RATE (MAX)                  | 5Mbps                                                           |
| CURRENT - TRANSMITTING           | -                                                               |
| CURRENT - RECEIVING              | -                                                               |
