## FSA2276UMX

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | FSA2276UMX                                                                                                   |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor                                                                         |
| Product description | IC AUDIO SWITCH DPDT 12UMLP                                                                                  |
| Datasheets:         |  FSA2276UMX.pdf             |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

### Specifications of FSA2276UMX

|                                   |                                                                                                    |
|-----------------------------------|----------------------------------------------------------------------------------------------------|
| PART NUMBER                       | FSA2276UMX                                                                                         |
| MANUFACTURER                      | AMI Semiconductor / ON Semiconductor                                                               |
| DESCRIPTION                       | IC AUDIO SWITCH DPDT 12UMLP                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                        |  FSA2276UMX.pdf |
| VOLTAGE - SUPPLY, SINGLE (V+)     | 1.65 V ~ 5.5 V                                                                                     |
| VOLTAGE - SUPPLY, DUAL (V±)       | -                                                                                                  |
| SWITCH CIRCUIT                    | DTDT                                                                                               |
| SUPPLIER DEVICE PACKAGE           | 12-UMLP (1.8x1.8)                                                                                  |
| SERIES                            | -                                                                                                  |
| PACKAGING                         | Tape & Reel (TR)                                                                                   |
| PACKAGE / CASE                    | 12-XFQFN                                                                                           |
| OTHER NAMES                       | FSA2276UMXTR                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 85°C (TA)                                                                                  |
| ON-STATE RESISTANCE (MAX)         | 1 Ohm                                                                                              |
| NUMBER OF CHANNELS                | 1                                                                                                  |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT | 2:2                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                      |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                         |
| FEATURES                          | Break-Before-Make                                                                                  |
| DETAILED DESCRIPTION              | Audio Switch IC 1 Channel 12-UMLP (1.8x1.8)                                                        |
| APPLICATIONS                      | Audio                                                                                              |
| -3DB BANDWIDTH                    | 380MHz                                                                                             |
