| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                   |
| TOLERANCE                        | -                                                                               |
| TEMPERATURE COEFFICIENT (TYP)    | 173 ppm/°C                                                                      |
| TAPER                            | Linear                                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-uMAX                                                                          |
| SERIES                           | -                                                                               |
| RESISTANCE - WIPER (OHMS) (TYP)  | -                                                                               |
| RESISTANCE (OHMS)                | 20k, 10k, 20k                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                    |
| NUMBER OF TAPS                   | 128                                                                             |
| NUMBER OF CIRCUITS               | 3                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                   |
| MEMORY TYPE                      | Non-Volatile                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| INTERFACE                        | I²C                                                                             |
| FEATURES                         | Selectable Address                                                              |
| DETAILED DESCRIPTION             | Digital Potentiometer 20k, 10k, 20k Ohm 3 Circuit 128 Taps I²C Interface 8-uMAX |
| CONFIGURATION                    | Rheostat                                                                        |
