| DESCRIPTION                      | IC CLOCK SYNTH SOT23-6                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DATA SHEET                       |  PI6C3421ATEX.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                          |
| TYPE                             | Clock Synchronizer                                                                                   |
| SUPPLIER DEVICE PACKAGE          | SOT-23-6                                                                                             |
| SERIES                           | -                                                                                                    |
| RATIO - INPUT:OUTPUT             | 1:2                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                   | SOT-23-6                                                                                             |
| PLL                              | No                                                                                                   |
| OUTPUT                           | CMOS                                                                                                 |
| OTHER NAMES                      | PI6C3421ATEXTR                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS               | 1                                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INPUT                            | CMOS                                                                                                 |
| FREQUENCY - MAX                  | 27MHz                                                                                                |
| DIVIDER/MULTIPLIER               | No/No                                                                                                |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                |
