| DESCRIPTION                      | IC RCVR DGTL AUDIO 192KHZ 28QFN                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| DATA SHEET                       |  CS8416-DNZ.pdf |
| VOLTAGE - SUPPLY                 | 3.3 V ~ 5 V                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 28-QFN (5x5)                                                                                       |
| SPECIFICATIONS                   | -                                                                                                  |
| SERIES                           | -                                                                                                  |
| PACKAGING                        | Bulk                                                                                               |
| PACKAGE / CASE                   | 28-VFQFN Exposed Pad                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                  |
| NUMBER OF CHANNELS               | 8                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| INTERFACE                        | I²C, SPI                                                                                           |
| FUNCTION                         | Audio Receiver                                                                                     |
| DETAILED DESCRIPTION             | Audio Audio Receiver 8 Channel 28-QFN (5x5)                                                        |
| BASE PART NUMBER                 | CS8416                                                                                             |
| APPLICATIONS                     | Digital Audio Interfacing                                                                          |
