

RTE1000N33

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | RTE1000N33                       |
| Manufacturer/Brand: | C&K                              |
| Product description | SW ROTARY DIP GRY CODE 100MA 30V |
| Datasheets:         | RTE1000N33.pdf                   |
| RoHs Status         | Not applicable / Not applicable  |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

| DESCRIPTION                      | SW ROTARY DIP GRY CODE 100MA 30V                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Not applicable / Not applicable                                                    |
| DATA SHEET                       | RTE1000N33.pdf                                                                     |
| WASHABLE                         | No                                                                                 |
| VOLTAGE RATING                   | 30VDC                                                                              |
| TERMINATION STYLE                | PC Pin                                                                             |
| SERIES                           | RTE                                                                                |
| PITCH                            | 0.100" (2.54mm), Full                                                              |
| PACKAGING                        | Tube                                                                               |
| OTHER NAMES                      | *RTE1000N33<br>401-1419-5<br>RTE1000N33-ND<br>Y36C00033FP                          |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                       |
| NUMBER OF POSITIONS              | 10                                                                                 |
| MOUNTING TYPE                    | Through Hole                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| MECHANICAL LIFE                  | 20,000 Steps                                                                       |
| LENGTH                           | 0.291" (7.40mm)                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Not applicable / Not applicable                                                    |
| HEIGHT ABOVE BOARD               | 0.167" (4.25mm)                                                                    |
| FEATURES                         | -                                                                                  |
| ELECTRICAL LIFE                  | -                                                                                  |
| DETAILED DESCRIPTION             | Dip Switch Gray Code 10 Position Through Hole Rotary for Tool Actuator 100mA 30VDC |
| CURRENT RATING                   | 100mA                                                                              |
| CONTACT MATERIAL                 | Bronze                                                                             |
| CONTACT FINISH                   | Gold                                                                               |
| CIRCUIT                          | Gray Code                                                                          |
| BODY MATERIAL                    | Polyphenylene Sulfide (PPS)                                                        |
| ACTUATOR TYPE                    | Rotary for Tool                                                                    |
| ACTUATOR LEVEL                   | Flush, Recessed                                                                    |
