S29GL128N11TFVR10

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | S29GL128N11TFVR10                                                                                            |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC FLASH 128M PARALLEL                                                                                       |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of S29GL128N11TFVR10

|                                  |                                                               |
|----------------------------------|---------------------------------------------------------------|
| PART NUMBER                      | S29GL128N11TFVR10                                             |
| MANUFACTURER                     | Cypress Semiconductor                                         |
| DESCRIPTION                      | IC FLASH 128M PARALLEL                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DATA SHEET                       |                                                               |
| WRITE CYCLE TIME - WORD, PAGE    | 110ns                                                         |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                   |
| TECHNOLOGY                       | FLASH - NOR                                                   |
| SERIES                           | GL-N                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                 |
| MEMORY TYPE                      | Non-Volatile                                                  |
| MEMORY SIZE                      | 128Mb (16M x 8, 8M x 16)                                      |
| MEMORY INTERFACE                 | Parallel                                                      |
| MEMORY FORMAT                    | FLASH                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 15 Weeks                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                    |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 128Mb (16M x 8, 8M x 16) Parallel 110ns |
| ACCESS TIME                      | 110ns                                                         |
