| DATA SHEET                           |  ADUM3211TRZ-EP-RL7.pdf |
| VOLTAGE - SUPPLY                     | 3 V ~ 5.5 V                                                                                                |
| VOLTAGE - ISOLATION                  | 2500Vrms                                                                                                   |
| TYPE                                 | General Purpose                                                                                            |
| TECHNOLOGY                           | Magnetic Coupling                                                                                          |
| SUPPLIER DEVICE PACKAGE              | 8-SOIC                                                                                                     |
| SERIES                               | iCoupler®                                                                                                  |
| RISE / FALL TIME (TYP)               | 2.5ns, 2.5ns                                                                                               |
| PULSE WIDTH DISTORTION (MAX)         | 3ns                                                                                                        |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | 50ns, 50ns                                                                                                 |
| PACKAGING                            | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                       | 8-SOIC (0.154", 3.90mm Width)                                                                              |
| OTHER NAMES                          | ADUM3211TRZ-EP-RL7TR                                                                                       |
| OPERATING TEMPERATURE                | -55°C ~ 125°C                                                                                              |
| NUMBER OF CHANNELS                   | 2                                                                                                          |
| MOUNTING TYPE                        | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 3 (168 Hours)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS       | Lead free / RoHS Compliant                                                                                 |
| ISOLATED POWER                       | No                                                                                                         |
| INPUTS - SIDE 1/SIDE 2               | 1/1                                                                                                        |
| DETAILED DESCRIPTION                 | General Purpose Digital Isolator 2500Vrms 2 Channel 25Mbps 25kV/μs CMTI 8-SOIC (0.154", 3.90mm Width)      |
| DATA RATE                            | 25Mbps                                                                                                     |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | 25kV/μs                                                                                                    |
| CHANNEL TYPE                         | Unidirectional                                                                                             |
| BASE PART NUMBER                     | ADUM3211                                                                                                   |
