UA18CSD08AKTI

|                     |                                       |
|---------------------|---------------------------------------|
| Part Number:        | UA18CSD08AKTI                         |
| Manufacturer/Brand: | Carlo Gavazzi                         |
| Product description | UPROX DR TI PL M18 0-10V CBL          |
| Datasheets:         | <a href="#">PDF UA18CSD08AKTI.pdf</a> |
| Ship From           | Hong Kong                             |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                 |

REQUEST FOR QUOTATION

Specifications of UA18CSD08AKTI

| DESCRIPTION                      | UPROX DR TI PL M18 0-10V CBL                                                             |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                          |
| DATA SHEET                       | <a href="#">PDF UA18CSD08AKTI.pdf</a>                                                    |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                                              |
| TERMINATION STYLE                | Cable                                                                                    |
| SHIELDING                        | Unshielded                                                                               |
| SERIES                           | UA18                                                                                     |
| SENSOR TYPE                      | Ultrasonic                                                                               |
| SENSING DISTANCE                 | 3.15" ~ 31.496" (80mm ~ 800mm)                                                           |
| RESPONSE FREQUENCY               | 5Hz                                                                                      |
| PACKAGE / CASE                   | Cylinder, Threaded - M18                                                                 |
| OUTPUT TYPE                      | Analog Voltage                                                                           |
| OTHER NAMES                      | 1864-2184                                                                                |
| OPERATING TEMPERATURE            | -20°C ~ 60°C                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                           |
| MATERIAL - BODY                  | Polybutylene Terephthalate (PBT)                                                         |
| INGRESS PROTECTION               | IP67                                                                                     |
| INDICATOR                        | LED                                                                                      |
| DETAILED DESCRIPTION             | Ultrasonic Proximity Sensor 3.15" ~ 31.496" (80mm ~ 800mm) IP67 Cylinder, Threaded - M18 |
