

MP2004DJ-PN-LF-Z

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MP2004DJ-PN-LF-Z                                                                                             |
| Manufacturer/Brand: | MPS (Monolithic Power Systems)                                                                               |
| Product description | IC REG LINEAR 2.85V/3V TSOT23-6                                                                              |
| Datasheets:         |  MP2004DJ-PN-LF-Z.pdf       |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| MANUFACTURER                     | MPS (Monolithic Power Systems)                                                                           |
| DESCRIPTION                      | IC REG LINEAR 2.85V/3V TSOT23-6                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                       |  MP2004DJ-PN-LF-Z.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.25V @ 200mA (Typ), 0.25V @ 200mA (Typ)                                                                 |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.85V, 3V                                                                                                |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                        |
| VOLTAGE - INPUT (MAX)            | 6V                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | TSOT-23-6                                                                                                |
| SERIES                           | -                                                                                                        |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                           |
| PACKAGING                        | Tube                                                                                                     |
| PACKAGE / CASE                   | SOT-23-6 Thin, TSOT-23-6                                                                                 |
| PSRR                             | 69dB (100Hz)                                                                                             |
| OUTPUT TYPE                      | Fixed                                                                                                    |
| OUTPUT CONFIGURATION             | Positive                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                            |
| NUMBER OF REGULATORS             | 2                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 12 Weeks                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 2.85V, 3V 200mA, 200mA TSOT-23-6                     |
| CURRENT - QUIESCENT (IQ)         | 114µA                                                                                                    |
| CURRENT - OUTPUT                 | 200mA, 200mA                                                                                             |
| CONTROL FEATURES                 | Enable                                                                                                   |
