| MANUFACTURER                     | Micrel / Microchip Technology                                                                         |
| DESCRIPTION                      | IC LASR DRVR 622MBPS 5.5V 10MSOP                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| DATA SHEET                       |  SY88722VKC-TR.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V, 4.5 V ~ 5.5 V                                                                            |
| TYPE                             | Laser Diode Driver (Fiber Optic)                                                                      |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                                                                               |
| SERIES                           | -                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                              |
| OTHER NAMES                      | SY88722VKC TR<br>SY88722VKC TR-ND<br>SY88722VKCTR<br>SY88722VKCTR-ND                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| NUMBER OF CHANNELS               | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| DETAILED DESCRIPTION             | Laser Driver IC 622Mbps 1 Channel 3 V ~ 3.6 V, 4.5 V ~ 5.5 V 10-MSOP                                  |
| DATA RATE                        | 622Mbps                                                                                               |
| CURRENT - SUPPLY                 | 25mA                                                                                                  |
| CURRENT - MODULATION             | 30mA                                                                                                  |
| BASE PART NUMBER                 | SY88722                                                                                               |
