E3T-SR33 2M

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | E3T-SR33 2M                                                                                                  |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                    |
| Product description | SENSOR RETROREFLECTIVE 2M                                                                                    |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of E3T-SR33 2M

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | E3T-SR33 2M                                              |
| MANUFACTURER                     | Omron Automation & Safety                                |
| DESCRIPTION                      | SENSOR RETROREFLECTIVE 2M                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| DATA SHEET                       |                                                          |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                              |
| SERIES                           | E3T                                                      |
| SENSING METHOD                   | Retroreflective                                          |
| SENSING DISTANCE                 | 0.394" ~ 3.937" (10mm ~ 100mm) ADJ                       |
| RESPONSE TIME                    | 1ms                                                      |
| OUTPUT CONFIGURATION             | PNP - Open Collector/Light-ON                            |
| OTHER NAMES                      | E3T-SR33 2M-ND<br>E3T-SR332M<br>E3T/SR33 2M<br>E3TSR332M |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                            |
| LIGHT SOURCE                     | Red (650nm)                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| INGRESS PROTECTION               | IEC IP67                                                 |
| CONNECTION METHOD                | Cable                                                    |
| ADJUSTMENT TYPE                  | -                                                        |
