|----------------------------------|----------------------------------------------------------------------------|
| PART NUMBER                      | PEB 22554 HT V1.3                                                          |
| MANUFACTURER                     | International Rectifier (Infineon Technologies)                            |
| DESCRIPTION                      | IC LINE INTERFACE QUAD TQFP144                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DATA SHEET                       |                                                                            |
| VOLTAGE - SUPPLY                 | 3.13 V ~ 3.46 V                                                            |
| SUPPLIER DEVICE PACKAGE          | P-TQFP-144                                                                 |
| SERIES                           | QuadFALC™                                                                  |
| POWER (WATTS)                    | 750mW                                                                      |
| PACKAGING                        | Tray                                                                       |
| PACKAGE / CASE                   | 144-LQFP                                                                   |
| OTHER NAMES                      | PEB 22554 HT V1.3-ND<br>PEB22554HTV1.3<br>PEB22554HTV1.3X<br>SP000007309   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                               |
| NUMBER OF CIRCUITS               | 4                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| INTERFACE                        | E1, HDLC, J1, PCM, T1                                                      |
| INCLUDES                         | CAS and CAS-BR Controller, Power Down, Transparent Mode, Tristate Function |
| FUNCTION                         | Framer, Line Interface Unit (LIU)                                          |
| DETAILED DESCRIPTION             | Telecom IC Framer, Line Interface Unit (LIU) P-TQFP-144                    |
| CURRENT - SUPPLY                 | 330mA                                                                      |
