4N26M

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | 4N26M                                                                                                        |
| Manufacturer/Brand: | Everlight Electronics                                                                                        |
| Product description | OPTOISO 5KV TRANS W/BASE 6DIP                                                                                |
| Datasheets:         |  4N26M.pdf                  |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of 4N26M

|                                  |                                                                                               |
|----------------------------------|-----------------------------------------------------------------------------------------------|
| PART NUMBER                      | 4N26M                                                                                         |
| MANUFACTURER                     | Everlight Electronics                                                                         |
| DESCRIPTION                      | OPTOISO 5KV TRANS W/BASE 6DIP                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| DATA SHEET                       |  4N26M.pdf |
| VOLTAGE - OUTPUT (MAX)           | 80V                                                                                           |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                      |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.2V                                                                                          |
| VCE SATURATION (MAX)             | 500mV                                                                                         |
| TURN ON / TURN OFF TIME (TYP)    | 3μs, 3μs                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 6-DIP                                                                                         |
| SERIES                           | -                                                                                             |
| RISE / FALL TIME (TYP)           | -                                                                                             |
| PACKAGING                        | Tube                                                                                          |
| PACKAGE / CASE                   | 6-DIP (0.400", 10.16mm)                                                                       |
| OUTPUT TYPE                      | Transistor with Base                                                                          |
| OTHER NAMES                      | 4N26MEL                                                                                       |
| OPERATING TEMPERATURE            | -55°C ~ 110°C                                                                                 |
| NUMBER OF CHANNELS               | 1                                                                                             |
| MOUNTING TYPE                    | Through Hole                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| INPUT TYPE                       | DC                                                                                            |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 5000Vrms 1 Channel 6-DIP                             |
| CURRENT TRANSFER RATIO (MIN)     | 20% @ 10mA                                                                                    |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                             |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                             |
| CURRENT - DC FORWARD (IF) (MAX)  | 60mA                                                                                          |
