

EM-DR1-IS-5-RTB-28V/OC

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | EM-DR1-IS-5-RTB-28V/OC                                                                                       |
| Manufacturer/Brand: | BEI Sensors                                                                                                  |
| Product description | OPTICAL ISOLATOR MODULE DUAL                                                                                 |
| Datasheets:         | <a href="#">PDF</a> EM-DR1-IS-5-RTB-28V/OC.pdf                                                               |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of EM-DR1-IS-5-RTB-28V/OC

|                                 |                                                |
|---------------------------------|------------------------------------------------|
| PART NUMBER                     | EM-DR1-IS-5-RTB-28V/OC                         |
| MANUFACTURER                    | BEI Sensors                                    |
| DESCRIPTION                     | OPTICAL ISOLATOR MODULE DUAL                   |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                     |
| DATA SHEET                      | <a href="#">PDF</a> EM-DR1-IS-5-RTB-28V/OC.pdf |
| VOLTAGE - SUPPLY                | 28V                                            |
| SERIES                          | -                                              |
| OUTPUT TYPE                     | NPN - Open Collector                           |
| OTHER NAMES                     | 1724-1154<br>60004-004                         |
| OPERATING TEMPERATURE           | -                                              |
| MOUNTING TYPE                   | DIN Rail                                       |
| MANUFACTURER STANDARD LEAD TIME | 4 Weeks                                        |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                     |
| DETAILED DESCRIPTION            | External Input Sensor Amplifier DIN Rail       |
| AMPLIFIER TYPE                  | External Input                                 |
