

Micrel / Microchip Technology

SY88343HLMG

Part Number:

Manufacturer/Brand:

Product description:

Datasheets:

RoHs Status:

Ship From:

Shipment Way:

SY88343HLMG

Micrel / Microchip Technology

IC OPAMP LIMITING 16QFN

 SY88343HLMG.pdf

 Lead free / RoHS Compliant

Hong Kong

DHL/Fedex/TNT/UPS/EMS

Specifications of SY88343HLMG

|                                   |                                                                                                     |
|-----------------------------------|-----------------------------------------------------------------------------------------------------|
| PART NUMBER                       | SY88343HLMG                                                                                         |
| MANUFACTURER                      | Micrel / Microchip Technology                                                                       |
| DESCRIPTION                       | IC OPAMP LIMITING 16QFN                                                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| DATA SHEET                        |  SY88343HLMG.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 3.6 V                                                                                         |
| SUPPLIER DEVICE PACKAGE           | 16-MLF® (3x3)                                                                                       |
| SLEW RATE                         | -                                                                                                   |
| SERIES                            | -                                                                                                   |
| PACKAGING                         | Tube                                                                                                |
| PACKAGE / CASE                    | 16-VFQFN Exposed Pad, 16-MLF®                                                                       |
| OUTPUT TYPE                       | Differential                                                                                        |
| OTHER NAMES                       | 576-3058                                                                                            |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                        |
| NUMBER OF CIRCUITS                | 1                                                                                                   |
| MOUNTING TYPE                     | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| DETAILED DESCRIPTION              | Limiting Amplifier 1 Circuit Differential 16-MLF® (3x3)                                             |
| CURRENT - SUPPLY                  | 45mA                                                                                                |
| BASE PART NUMBER                  | SY88343                                                                                             |
| AMPLIFIER TYPE                    | Limiting                                                                                            |
