

SI5332A-C-GM3

Part Number:SI5332A-C-GM3

Manufacturer/Brand:Energy Micro (Silicon Labs)

Product descriptionEXTERNAL REF CRYSTAL

Datasheets:

 SI5332A-C-GM3.pdf

RoHs Status

 Lead free / RoHS Compliant

Ship FromHong Kong

Shipment WayDHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

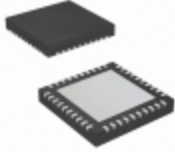

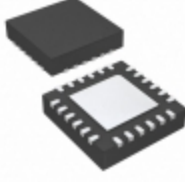

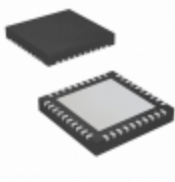

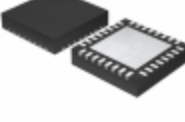

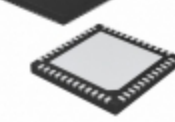

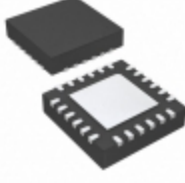

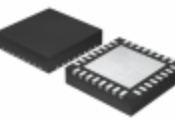

Specifications of SI5332A-C-GM3

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | SI5332A-C-GM3                                                                                         |
| MANUFACTURER                     | Energy Micro (Silicon Labs)                                                                           |
| DESCRIPTION                      | EXTERNAL REF CRYSTAL                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  SI5332A-C-GM3.pdf |
| VOLTAGE - SUPPLY                 | 1.71 V ~ 3.63 V                                                                                       |
| TYPE                             | Clock Generator                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 48-QFN (6x6)                                                                                          |
| SERIES                           | MultiSynth™                                                                                           |
| RATIO - INPUT:OUTPUT             | 3:12                                                                                                  |
| PACKAGING                        | Tray                                                                                                  |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad                                                                                  |
| PLL                              | Yes                                                                                                   |
| OUTPUT                           | HCSL, LVCMOS, LVDS, LVPECL                                                                            |
| OTHER NAMES                      | 336-4083                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| NUMBER OF CIRCUITS               | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 4 Weeks                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INPUT                            | LVCMOS, Crystal                                                                                       |
| FREQUENCY - MAX                  | 312.5MHz                                                                                              |
| DIVIDER/MULTIPLIER               | Yes/No                                                                                                |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                                               |
