| DESCRIPTION                       | IC OPAMP GP 1.1MHZ RRO TSOT23-5                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                        |  LT1880IS5#TRMPBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 36 V, ±1.35 V ~ 18 V                                                                             |
| VOLTAGE - INPUT OFFSET            | 40µV                                                                                                     |
| SUPPLIER DEVICE PACKAGE           | TSOT-23-5                                                                                                |
| SLEW RATE                         | 0.55 V/µs                                                                                                |
| SERIES                            | -                                                                                                        |
| PACKAGING                         | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                    | SOT-23-5 Thin, TSOT-23-5                                                                                 |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                             |
| OTHER NAMES                       | LT1880IS5#TRMPBFTR<br>LT1880IS5TRMPBF                                                                    |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                             |
| NUMBER OF CIRCUITS                | 1                                                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 12 Weeks                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| GAIN BANDWIDTH PRODUCT            | 1.1MHz                                                                                                   |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit Rail-to-Rail TSOT-23-5                                               |
| CURRENT - SUPPLY                  | 1.5mA                                                                                                    |
| CURRENT - OUTPUT / CHANNEL        | 25mA                                                                                                     |
| CURRENT - INPUT BIAS              | 150pA                                                                                                    |
| BASE PART NUMBER                  | LT1880                                                                                                   |
