| DESCRIPTION                       | IC OPAMP DIFFERENTIAL 34QFN                                                                              |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                        |  LT6604IUFF-5#PBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 11 V, ±1.5 V ~ 5.5 V                                                                               |
| VOLTAGE - INPUT OFFSET            | 8mV                                                                                                      |
| SUPPLIER DEVICE PACKAGE           | 34-QFN-EP (4x7)                                                                                          |
| SLEW RATE                         | -                                                                                                        |
| SERIES                            | -                                                                                                        |
| PACKAGING                         | Tube                                                                                                     |
| PACKAGE / CASE                    | 34-WFQFN Exposed Pad                                                                                     |
| OUTPUT TYPE                       | Differential                                                                                             |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                             |
| NUMBER OF CIRCUITS                | 2                                                                                                        |
| MOUNTING TYPE                     | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME   | 10 Weeks                                                                                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION              | Differential Amplifier 2 Circuit Differential 34-QFN-EP (4x7)                                            |
| CURRENT - SUPPLY                  | 30mA                                                                                                     |
| CURRENT - INPUT BIAS              | 30µA                                                                                                     |
