| DESCRIPTION                      | IC TXRX RS232 5V 15KV 16SOIC                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DATA SHEET                       |  ADM202EARNZ-REEL7.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                             |
| TYPE                             | Transceiver                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                                   |
| SERIES                           | -                                                                                                         |
| RECEIVER HYSTERESIS              | 650mV                                                                                                     |
| PROTOCOL                         | RS232                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                            |
| OTHER NAMES                      | ADM202EARNZ-REEL7TR<br>ADM202EARNZREEL7                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                              |
| NUMBER OF DRIVERS/RECEIVERS      | 2/2                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| MANUFACTURER STANDARD LEAD TIME  | 21 Weeks                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DUPLEX                           | Full                                                                                                      |
| DETAILED DESCRIPTION             | 2/2 Transceiver Full RS232 16-SOIC                                                                        |
| DATA RATE                        | 230kbps                                                                                                   |
