| VOLTAGE - SUPPLY                 | ±4.75 V ~ 5.25 V                                                           |
| TYPE                             | Transceiver                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-uMAX                                                                     |
| SERIES                           | -                                                                          |
| RECEIVER HYSTERESIS              | 500mV                                                                      |
| PROTOCOL                         | RS232                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                           |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                               |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| MANUFACTURER STANDARD LEAD TIME  | 7 Weeks                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| DUPLEX                           | Full                                                                       |
| DETAILED DESCRIPTION             | 1/1 Transceiver Full RS232 8-uMAX                                          |
| DATA RATE                        | 460Kbps                                                                    |
