| DESCRIPTION                      | IC POT DIG QUAD 50K 20-DIP                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                 |
| DATA SHEET                       |  <a href="#">DS1844-050.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                      |
| TOLERANCE                        | ±20%                                                                                                               |
| TEMPERATURE COEFFICIENT (TYP)    | 750 ppm/°C                                                                                                         |
| TAPER                            | Linear                                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 20-PDIP                                                                                                            |
| SERIES                           | -                                                                                                                  |
| RESISTANCE - WIPER (OHMS) (TYP)  | 250                                                                                                                |
| RESISTANCE (OHMS)                | 50k                                                                                                                |
| PACKAGING                        | Tube                                                                                                               |
| PACKAGE / CASE                   | 20-DIP (0.300", 7.62mm)                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                       |
| NUMBER OF TAPS                   | 64                                                                                                                 |
| NUMBER OF CIRCUITS               | 4                                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                      |
| MEMORY TYPE                      | Volatile                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                 |
| INTERFACE                        | I²C, Serial                                                                                                        |
| FEATURES                         | Selectable Address                                                                                                 |
| DETAILED DESCRIPTION             | Digital Potentiometer 50k Ohm 4 Circuit 64 Taps I²C, Serial Interface 20-PDIP                                      |
| CONFIGURATION                    | Potentiometer                                                                                                      |
