| DATA SHEET                       |  <a href="#">LT3030HFE#PBF.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 0.48V @ 250mA, 0.48V @ 750mA                                                                                          |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.22V                                                                                                                 |
| VOLTAGE - OUTPUT (MAX)           | 19.5V                                                                                                                 |
| VOLTAGE - INPUT (MAX)            | 20V                                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP-EP                                                                                                           |
| SERIES                           | -                                                                                                                     |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity                                                                      |
| PACKAGING                        | Tube                                                                                                                  |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width) Exposed Pad                                                                           |
| PSRR                             | 60dB ~ 50dB (120Hz ~ 1MHz)                                                                                            |
| OUTPUT TYPE                      | Adjustable                                                                                                            |
| OUTPUT CONFIGURATION             | Positive                                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 150°C                                                                                                         |
| NUMBER OF REGULATORS             | 2                                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 2 Output 1.22 V ~ 19.5 V 250mA, 750mA 20-TSSOP-EP                     |
| CURRENT - OUTPUT                 | 250mA, 750mA                                                                                                          |
| CONTROL FEATURES                 | Enable, Power Good                                                                                                    |
