IA08BLF15NOM1

|                     |                         |
|---------------------|-------------------------|
| Part Number:        | IA08BLF15NOM1           |
| Manufacturer/Brand: | Carlo Gavazzi           |
| Product description | SEN PROX M8 NPN NO PLUG |
| Datasheets:         |                         |
| Ship From           | Hong Kong               |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS   |

REQUEST FOR QUOTATION

Specifications of IA08BLF15NOM1

|                                  |                                                                                        |
|----------------------------------|----------------------------------------------------------------------------------------|
| PART NUMBER                      | IA08BLF15NOM1                                                                          |
| MANUFACTURER                     | Carlo Gavazzi                                                                          |
| DESCRIPTION                      | SEN PROX M8 NPN NO PLUG                                                                |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                        |
| DATA SHEET                       |                                                                                        |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                                            |
| TERMINATION STYLE                | Connector                                                                              |
| SHIELDING                        | Unshielded                                                                             |
| SERIES                           | IA                                                                                     |
| SENSOR TYPE                      | Inductive                                                                              |
| SENSING DISTANCE                 | 0.06" (1.5mm)                                                                          |
| RESPONSE FREQUENCY               | 2kHz                                                                                   |
| PACKAGE / CASE                   | Cylinder, Threaded - M8                                                                |
| OPERATING TEMPERATURE            | -25°C ~ 70°C (TA)                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                         |
| MATERIAL - BODY                  | Stainless Steel                                                                        |
| INGRESS PROTECTION               | IP67, NEMA 1,3,4,6,13                                                                  |
| INDICATOR                        | LED                                                                                    |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.06" (1.5mm) IP67, NEMA 1,3,4,6,13 Cylinder, Threaded - M8 |
