| VOLTAGE - SUPPLY (VCC/VDD)       | 2.4 V ~ 5.5 V                                                                              |
| SUPPLIER DEVICE PACKAGE          | 32-VQFN (5x5)                                                                              |
| SPEED                            | 48MHz                                                                                      |
| SERIES                           | AVR® 90SCR                                                                                 |
| RAM SIZE                         | 4K x 8                                                                                     |
| PROGRAM MEMORY TYPE              | FLASH                                                                                      |
| PROGRAM MEMORY SIZE              | 64KB (64K x 8)                                                                             |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, LED, POR, PWM, WDT                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                           |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                                       |
| OSCILLATOR TYPE                  | Internal                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                 |
| EEPROM SIZE                      | 4K x 8                                                                                     |
| DETAILED DESCRIPTION             | AVR AVR® 90SCR Microcontroller IC 8-Bit 48MHz 64KB (64K x 8) FLASH 32-VQFN (5x5)           |
| DATA CONVERTERS                  | -                                                                                          |
| CORE SIZE                        | 8-Bit                                                                                      |
| CORE PROCESSOR                   | AVR                                                                                        |
| CONNECTIVITY                     | I²C, SmartCard, SPI, UART/USART, USB                                                       |
