| DESCRIPTION                      | IC EEPROM 32K I2C 400KHZ 8DIP                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                       |
| DATA SHEET                       |  AT24C32-10PI-1.8.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                                                                     |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 5.5 V                                                                                            |
| TECHNOLOGY                       | EEPROM                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 8-PDIP                                                                                                   |
| SERIES                           | -                                                                                                        |
| PACKAGING                        | Tube                                                                                                     |
| PACKAGE / CASE                   | 8-DIP (0.300", 7.62mm)                                                                                   |
| OTHER NAMES                      | AT24C3210PI1.8                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                        |
| MOUNTING TYPE                    | Through Hole                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MEMORY TYPE                      | Non-Volatile                                                                                             |
| MEMORY SIZE                      | 32Kb (4K x 8)                                                                                            |
| MEMORY INTERFACE                 | I²C                                                                                                      |
| MEMORY FORMAT                    | EEPROM                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                       |
| DETAILED DESCRIPTION             | EEPROM Memory IC 32Kb (4K x 8) I²C 400kHz 900ns 8-PDIP                                                   |
| CLOCK FREQUENCY                  | 400kHz                                                                                                   |
| BASE PART NUMBER                 | AT24C32                                                                                                  |
| ACCESS TIME                      | 900ns                                                                                                    |
