

MTFC8GLVEA-WT

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MTFC8GLVEA-WT                                                                                                |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 64G MMC 153WFBGA                                                                                    |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MTFC8GLVEA-WT

|                                  |                                                              |
|----------------------------------|--------------------------------------------------------------|
| PART NUMBER                      | MTFC8GLVEA-WT                                                |
| MANUFACTURER                     | Micron Technology                                            |
| DESCRIPTION                      | IC FLASH 64G MMC 153WFBGA                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| DATA SHEET                       |                                                              |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                            |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                |
| TECHNOLOGY                       | FLASH - NAND                                                 |
| SUPPLIER DEVICE PACKAGE          | 153-WFBGA (11.5x13)                                          |
| SERIES                           | e•MMC™                                                       |
| PACKAGING                        | Tray                                                         |
| PACKAGE / CASE                   | 153-WFBGA                                                    |
| OPERATING TEMPERATURE            | -25°C ~ 85°C (TA)                                            |
| MOUNTING TYPE                    | Surface Mount                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                |
| MEMORY TYPE                      | Non-Volatile                                                 |
| MEMORY SIZE                      | 64Gb (8G x 8)                                                |
| MEMORY INTERFACE                 | MMC                                                          |
| MEMORY FORMAT                    | FLASH                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                   |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 64Gb (8G x 8) MMC 153-WFBGA (11.5x13) |
