| TURN ON VOLTAGE (MAX)           | 2.1 VDC                                                         |
| TURN OFF VOLTAGE (MIN)          | 0.3 VDC                                                         |
| TERMINATION STYLE               | PC Pin                                                          |
| SWITCHING VOLTAGE               | 380VAC, 125VDC - Max                                            |
| SERIES                          | G6C                                                             |
| RELEASE TIME                    | 10ms                                                            |
| RELAY TYPE                      | General Purpose                                                 |
| PACKAGING                       | Bulk                                                            |
| OTHER NAMES                     | G6C1117PUSDC3                                                   |
| OPERATING TEMPERATURE           | -25°C ~ 70°C                                                    |
| OPERATE TIME                    | 10ms                                                            |
| MOUNTING TYPE                   | Through Hole                                                    |
| MANUFACTURER STANDARD LEAD TIME | 14 Weeks                                                        |
| LEAD FREE STATUS / ROHS STATUS  | Lead free / RoHS Compliant                                      |
| FEATURES                        | Sealed - Flux Protection                                        |
| DETAILED DESCRIPTION            | General Purpose Relay SPST-NO (1 Form A) 3VDC Coil Through Hole |
| CONTACT RATING (CURRENT)        | 10A                                                             |
| CONTACT MATERIAL                | Silver Alloy, Cadmium Free                                      |
| CONTACT FORM                    | SPST-NO (1 Form A)                                              |
| COIL VOLTAGE                    | 3VDC                                                            |
| COIL TYPE                       | Non Latching                                                    |
| COIL RESISTANCE                 | 45 Ohms                                                         |
| COIL POWER                      | 200 mW                                                          |
| COIL CURRENT                    | 67.0mA                                                          |
