Productivity Solutions

MLH03KPSB17E

|                     |                                              |
|---------------------|----------------------------------------------|
| Part Number:        | MLH03KPSB17E                                 |
| Manufacturer/Brand: | Honeywell Sensing and Productivity Solutions |
| Product description | MLH ALL METAL PRESS SENSE -ATF               |
|                     | <a href="#">PDF</a> 1.MLH03KPSB17E.pdf       |
|                     | <a href="#">PDF</a> 2.MLH03KPSB17E.pdf       |
| Datasheets:         |                                              |
| RoHs Status         | Lead free / RoHS Compliant                   |
| Ship From           | Hong Kong                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                        |

REQUEST FOR QUOTATION

Specifications of MLH03KPSB17E

|                                  |                                                                                                             |

| MANUFACTURER                     | Honeywell Sensing and Productivity Solutions                                                                |
| DESCRIPTION                      | MLH ALL METAL PRESS SENSE -ATF                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| DATA SHEET                       | <a href="#">PDF</a> 1.MLH03KPSB17E.pdf<br><a href="#">PDF</a> 2.MLH03KPSB17E.pdf                            |
| VOLTAGE - SUPPLY                 | 7 V ~ 30 V                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                           |
| SERIES                           | MLH                                                                                                         |
| PRESSURE TYPE                    | Sealed Gauge                                                                                                |
| PORT STYLE                       | Threaded                                                                                                    |
| PORT SIZE                        | Male - 1/4" (6.35mm) BSP                                                                                    |
| PACKAGE / CASE                   | Cylinder, Metal                                                                                             |
| OUTPUT TYPE                      | Analog Voltage                                                                                              |
| OUTPUT                           | 0.5 V ~ 4.5 V                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                               |
| OPERATING PRESSURE               | 3000 PSI (20684.27 kPa)                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| MAXIMUM PRESSURE                 | 6000 PSI (41368.54 kPa)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                  |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                   |
| DETAILED DESCRIPTION             | Pressure Sensor 3000 PSI (20684.27 kPa) Sealed Gauge Male - 1/4" (6.35mm) BSP 0.5 V ~ 4.5 V Cylinder, Metal |
| ACCURACY                         | ±0.25%                                                                                                      |
