

Honeywell Microelectronics & Precision Sensors

Part Number: PPT0002DXX5VA

Manufacturer/Brand: Honeywell Microelectronics & Precision Sensors

Product description: PRESSURE TRANSDUCER

Datasheets: [1.PPT0002DXX5VA.pdf](#)  
[2.PPT0002DXX5VA.pdf](#)  
[3.PPT0002DXX5VA.pdf](#)  
[4.PPT0002DXX5VA.pdf](#)

RoHs Status:  Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of PPT0002DXX5VA

|                                  |                                                                                                                                                          |

| VOLTAGE - SUPPLY                 | 5.5 V ~ 30 V                                                                                                                                             |
| TERMINATION STYLE                | Connector                                                                                                                                                |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                                                                        |
| SERIES                           | -                                                                                                                                                        |
| PRESSURE TYPE                    | Differential                                                                                                                                             |
| PORT STYLE                       | Threaded                                                                                                                                                 |
| PORT SIZE                        | Female - 1/8" (3.18mm) Swagelok™, Dual                                                                                                                   |
| PACKAGE / CASE                   | Module Cube                                                                                                                                              |
| OUTPUT TYPE                      | Analog, RS-485                                                                                                                                           |
| OUTPUT                           | 0 V ~ 5 V                                                                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                                                             |
| OPERATING PRESSURE               | ±2 PSI (±13.79 kPa)                                                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                                            |
| MAXIMUM PRESSURE                 | ±6 PSI (±41.37 kPa)                                                                                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                                                       |
| FEATURES                         | -                                                                                                                                                        |
| DETAILED DESCRIPTION             | Pressure Sensor ±2 PSI (±13.79 kPa) Differential Female - 1/8" (3.18mm) Swagelok™, Dual 0 V ~ 5 V Module Cube                                            |
| ACCURACY                         | ±0.05%                                                                                                                                                   |
