| DESCRIPTION                      | IC NVSRAM 256K PARALLEL 34LPM                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                   |
| DATA SHEET                       |  <a href="#">DS1330YL-100.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 100ns                                                                                                                |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                        |
| TECHNOLOGY                       | NVSRAM (Non-Volatile SRAM)                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 34-LPM                                                                                                               |
| SERIES                           | -                                                                                                                    |
| PACKAGING                        | Tube                                                                                                                 |
| PACKAGE / CASE                   | 34-LPM                                                                                                               |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                        |
| MEMORY TYPE                      | Non-Volatile                                                                                                         |
| MEMORY SIZE                      | 256Kb (32K x 8)                                                                                                      |
| MEMORY INTERFACE                 | Parallel                                                                                                             |
| MEMORY FORMAT                    | NVSRAM                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                   |
| DETAILED DESCRIPTION             | NVSRAM (Non-Volatile SRAM) Memory IC 256Kb (32K x 8) Parallel 100ns 34-LPM                                           |
| BASE PART NUMBER                 | DS1330Y                                                                                                              |
| ACCESS TIME                      | 100ns                                                                                                                |
