| DESCRIPTION                       | IC OPAMP GP 15MHZ RRO 14SOIC                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                    |
| DATA SHEET                        |  OP462GS-REEL7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 12 V, ±1.35 V ~ 6 V                                                                           |
| VOLTAGE - INPUT OFFSET            | 25µV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 14-SOIC                                                                                               |
| SLEW RATE                         | 13 V/µs                                                                                               |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                                        |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                          |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                         |
| NUMBER OF CIRCUITS                | 4                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                    |
| GAIN BANDWIDTH PRODUCT            | 15MHz                                                                                                 |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 14-SOIC                                              |
| CURRENT - SUPPLY                  | 550µA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 30mA                                                                                                  |
| CURRENT - INPUT BIAS              | 260nA                                                                                                 |
| BASE PART NUMBER                  | OP462                                                                                                 |
| AMPLIFIER TYPE                    | General Purpose                                                                                       |
