### LH28F160BJE-BTL90

|                     |                                                                                                                         |
|---------------------|-------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LH28F160BJE-BTL90                                                                                                       |
| Manufacturer/Brand: | Sharp Microelectronics                                                                                                  |
| Product description | IC FLASH 16M PARALLEL 48TSOP                                                                                            |
| Datasheets:         |  <a href="#">LH28F160BJE-BTL90.pdf</a> |
| RoHs Status         |  Contains lead / RoHS non-compliant    |
| Ship From           | Hong Kong                                                                                                               |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                   |

#### Specifications of LH28F160BJE-BTL90

|                                  |                                                                                                                           |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LH28F160BJE-BTL90                                                                                                         |
| MANUFACTURER                     | Sharp Microelectronics                                                                                                    |
| DESCRIPTION                      | IC FLASH 16M PARALLEL 48TSOP                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                        |
| DATA SHEET                       |  <a href="#">LH28F160BJE-BTL90.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 90ns                                                                                                                      |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                                             |
| TECHNOLOGY                       | FLASH - Boot Block                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | 48-TSOP                                                                                                                   |
| SERIES                           | -                                                                                                                         |
| PACKAGING                        | Tray                                                                                                                      |
| PACKAGE / CASE                   | 48-TFSOP (0.724", 18.40mm Width)                                                                                          |
| OTHER NAMES                      | 425-1823<br>LHF16J06                                                                                                      |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                             |
| MEMORY TYPE                      | Non-Volatile                                                                                                              |
| MEMORY SIZE                      | 16Mb (2M x 8, 1M x 16)                                                                                                    |
| MEMORY INTERFACE                 | Parallel                                                                                                                  |
| MEMORY FORMAT                    | FLASH                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                        |
| DETAILED DESCRIPTION             | FLASH - Boot Block Memory IC 16Mb (2M x 8, 1M x 16) Parallel 90ns 48-TSOP                                                 |
| ACCESS TIME                      | 90ns                                                                                                                      |
